

Pennies with a Purpose

Collect change to help families at San Diego's Ronald McDonald House!

Here's how you can help...

- Collect change from your community, co-workers, customers or student body to make a BIG difference at Ronald McDonald House Charities® of San Diego.

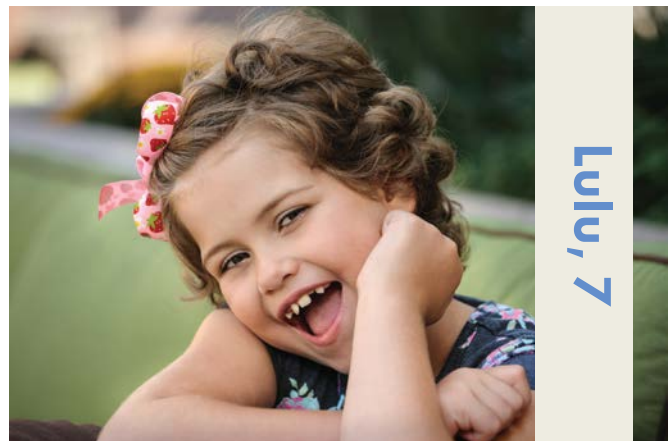

or

- Start a PENNY WAR with your organization, work place, school or at home! Create teams that will battle it out for the most points...pennies are worth +1 point! But beware, other teams can add quarters, nickels, dimes & paper to any team's jar for -1 point. The team with the most points at the end of the challenge wins the PENNY WAR!

A little goes
a long way.

"We're grateful for the good days. The Ronald McDonald House helped us through the bad days when Lulu was in intensive care."

- Lulu's Mom
