911 Turbo S Porsche Driving Experience

Program Details

Drivers who want to study their skills with real-time data-based feedback will love this 4-hour course that heavily utilizes the Porsche Track Precision App. Drivers evaluate their performance on braking, throttle and steering input through classroom video and data analysis. This experience allows participants to take their driving education to the next level while also reaping the benefits of advanced, private coaching.

Program Inclusions

1. Introduction and briefing with presentation
2. Advanced car control & vehicle dynamics on the Low Friction Handling Circuit
3. Advanced vehicle dynamics on the Dynamics Pad
4. Exclusive lapping sessions on the Handling Circuit with data capture (recording)
5. Data download, analysis, & review with your Coach
